

CHAPTER 10

PUBLIC COMMENT

Public feedback was sought throughout the entire open space and recreation planning process. The text and maps included in the Plan reflect these enhancements.

Copies of the final version of the Deerfield River Watershed Open Space and Recreation Plan were also sent to the following boards and organizations for review and comment:

- Massachusetts Division of Conservation Services (DCS)
- Watershed Open Space Planning Committee members
- Massachusetts Executive Office of Environmental Affairs

Letters of comment are inserted into the plan at the end of this section. The letters reflect a broad base of support for the research, analysis, outreach and recommendations developed by the Watershed Open Space Planning Committee.
