Spring, 2009

Don't miss Shelburne Falls' annual RiverFest!

On Saturday, June 13, the village of Shelburne Falls, MA, will once again celebrate the Deerfield River and the surrounding countryside with RiverFest.

This year's theme, "Past, Present and Future of our Watershed," will be reflected in many different ways: entertaining, educational displays and demonstrations as well as live music and dancing, a colorful "Frog & Flower Parade," art, crafts, tag, book and plant sales, food vendors, trolley rides, quiet water rafting and more.

On Friday evening, June 12, a new film on the watershed's history will premiere at Pothole Pictures. And on Sunday, June 14, there will be hikes to some of this area's most beautiful and interesting sites—events to give people of all ages, area residents as well as visitors, a greater understanding of and appreciation for a rich natural resource.

RiverFest is sponsored by the Deerfield River Watershed Association, local businesses and the Local Cultural Councils of Buckland Charlemont/Hawley, Colrain, Conway, Heath, Rowe and Shelburne. Come early, stay late! You'll take home a wealth of environmental inspiration—and wonderful memories
